The screenshot shows the MyLion web application interface. At the top right, there are links for "Support" and "Messages", and a user profile for "Tejas Patel". Below this is a navigation bar with "MyLion" and a dropdown arrow, and menu items: "Home", "Report Past Activity", "Plan Future Activity", "Activities", and "Metrics". A secondary navigation bar contains icons for "Home", "Connect", "MyLCI", "MyLion", "Shop", "Insights", and "Learn". A red arrow points to the "Learn" icon. Below the navigation bars is a statistics section with "1,591 People Served >", "20 Service Activities Completed >", and "\$905 Funds Donated >". A note states: "Some metrics are capped. Please 'click here' to see which metrics are impacted." The "Signature Activities" section is partially visible at the bottom.
